Dear Mr. Gilhooly:

**Re: Follow-Up to Corporate Accounting System Audit  
Part 2: Audit of the Government's Corporate Accounting System, December 2006**

In response to your letter of January 3, 2008, Corporate Accounting Services (CAS) has completed the attached self-assessment report provided by your office, which updates the status of the recommendations of the Part 2 December 2006 audit. To date, one recommendation is completed and five of CAS' recommendations are in progress. The Office of the Comptroller General (OCG) has completed three recommendations, one is in progress and one has been undertaken using an alternative solution.

Recommendations in this self-assessment were presented to the Select Standing Committee on Public Accounts on March 5, 2007. Although the self-assessment report reviews only the key recommendations of the Part 2 audit, both CAS and the OCG are addressing all recommendations in the audit.

Please contact either of us with any questions.
